

WEBSITE QUESTIONNAIRE

When we build websites, we ensure we are **building you something you will love** and be truly proud of. For us to do that we need your input. Let's get the ball rolling...

Fill out the simple questionnaire below to **help us understand what you need**. It will also provide us with the information to **provide you with an accurate quote**.

Make sure you have seen our [amazing portfolio](#) and seen our equality [incredible prices](#).

You can always download this form, complete it another time and send it to us on an email to contact@theDigitalMusketeer.com.

First Name	Last Name
Email Address	
Street Address	City / Town

What are your USPs? So, we can ensure we display these.	

WEBSITE QUESTIONNAIRE

What do people search for online to find you?
What call to actions should be on the site (eg: Call you, email you, book service, etc.)
Would you like any special functionality? (eCommerce, Blogs, Events, Galleries, Forms, etc.)
How would you like your site to look? (Colour, font, style and feel of site)
Will you or a member of the team be updating the website?
Do you have any further information that will help us make your site?

Well done! That was easy, wasn't it! Now hit the send button or send the completed form to:
